

EURO HEAT & POWER

DISTRICT HEATING | DISTRICT COOLING | COGENERATION

Editorial guidelines for the journal EUROHEAT&POWER

The article should be between 10,000 to 12,000 characters (including spaces), plus four to five images. We prefer a Word document, photos as jpg or tif files (minimum 300 dpi), graphics in open file format (Powerpoint, Excel, etc.)

If possible, please include a photo (jpg file) in landscape format as an eye-catcher (at least 300 dpi).

Photos of the authors are welcome.

The text should have the same structure as in the magazine:

- title
- standfirst (maximum 300 characters)
- details of the authors (title(s), name, function, company, location)
- mark in the text where you wish the images to be inserted
- captions at the end of the text
- please do not format the text
- text and images as separate data files.

Further information:

- for interested readers we need an e-mail address and up to four web addresses
- who will get the galley proof – please send us the complete contact details including fax and phone number as well as the addresses of all the authors
- you will receive a galley proof for approval before publication
