Focussing on Global Trends

The EUROHEAT&POWER International after 17 years well established within West-/East European Markets of Cogeneration, District Heating and Cooling as only Trade Magazine covering the whole process chain of the industry for Power Plant Technologies, Pipe-Laying, Network Construction/ Operation, Heat Substations, Heat Metering and Accounting.

As official publication of Euroheat & Power, Brussels each issue features – next to technological news and innovations – also the current developments of European energy policy.

Overall a perfect marketing platform for your international business activities.

Profile

Trade Magazine for the international District Heating & Cooling and Cogeneration industry.

Frequency

4 issues per year

Language

English

Circulation

2,000 copies

Target Group

Utilities, Component Suppliers, Engineering/Consulting Companies, Authorities, Research Institutes

Distribution

In 24 Western/Eastern European Countries, Canada, USA, Russia, Japan, Korea

Publishers

International Association Euroheat & Power, Brussels
German Heat & Power Association – AGFW, Frankfurt am Main

Publishing House

VDE VERLAG GMBH, Offenbach am Main

E-Magazine

For a better and more informative introduction of your company, your services and your products we offer:

1/1 Page Company Profile (4c)

Type area: 185 × 268 mm
Text-length: 3,800 signs (with blanks, without illustrations)
Fixed Price: 1,850.00 EUR
(not subject to discount)

1/2 Page Company Profile (4c)

Type area: 185 × 132 mm
Text-length: 2,100 signs (with blanks, without illustrations)
Fixed Price: 950.00 EUR
(not subject to discount)

Special Combination Rate!

1/1 Page Company Profile (4c) +
1/1 Page Standard Advert (4c)

Fixed Price: 4,000.00 EUR
(not subject to discount)

1/2 Page Company Profile (4c) +
1/2 Page Standard Advert (4c)

Fixed Price: 2,000.00 EUR
(not subject to discount)

Other special advertising types available on request.
